Helping
creativity
flow

We're so excited about the Dreamy Collection, we're introducing a sneak peek: Light Haze. It's the perfect solid surface decor for those projects you've always been dreaming of.

Like all of our decors, Light Haze comes with a wide range of benefits that set it apart from its natural inspiration. Bend it, twist it, and keep it looking fresh. Let's see marble do that.

Looking for something different? Don't sweat it. Take a stroll through our collections and you're sure to find a material match made in heaven.

DREAMY
COLLECTION

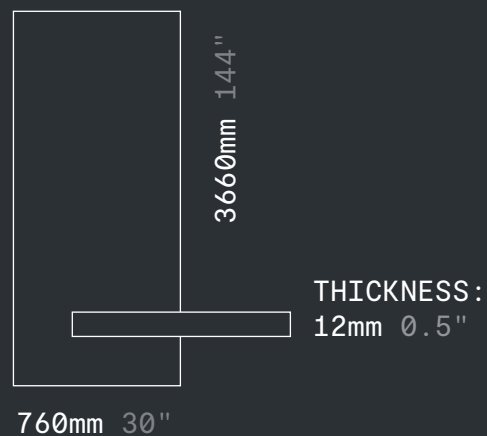

DM5042

–
Meet the lovely Light Haze, the first member of our splendid new Dreamy collection.

A crisp, clean, and modern interpretation of a classic Calacatta veining pattern, sure to make an impression.

Color and veining can vary, but don't sweat it. We can't wait to see what you create!

AVAILABLE SHEET SIZE:

Explore our varying collections of acrylic solid surface materials – from 'Lively' to 'Charming,' each collection contains carefully curated styles, shades and colors that meet your needs, whatever they may be.

For further information visit durasein.com or check us out on social media.

Looking for that extra magic?

D.Lab is where we push the limits of creativity, coming up with impossible ideas and seeing just how possible they really are. Learn from other legends, get inspired and team up.
