

STAR-K KOSHER CERTIFICATION

April 27, 2026

10 Iyar 5786

Relang International LLC (associated with GRL Industries LLC, dba Durasein)
7030 Quad Ave
Suite 3
Rosedale, MD 21237

This is to certify that **Durasein® Solid Surface Material**, a product of **Relang International, LLC**, has been reviewed by STAR-K Certification. The composition and production are kosher certified, and it is approved for use as a countertop with food contact applications.

Please note that as an engineered solid surface containing a significant proportion of acrylic resin (a thermoplastic), if previously used with non-kosher foods, or for Passover use, one should consult a competent rabbinic authority to determine eligibility for *kashering*. See <https://www.star-k.org/articles/kashrus-kurrents/17098/kitchen-countertops/>.

This certificate is valid through April 30, 2027.
